Philanthropy is a very personal decision and I'm deeply thankful and humbled by those of you who are mentioned in the pages of this annual report for your generous support of East Stroudsburg University and the students we serve.

Since my arrival on campus in 2012, one of my most challenging roles has been to keep public higher education at ESU affordable while updating our facilities and services to provide students with the best possible start in preparation for careers in today's ever-changing global society. Such work is, at times, daunting as there are still disparities in State funding, and tuition and fees continue to increase year after year placing the burden on students and their families. Yet despite the struggles we face as an institution, please know that your contributions have been a tremendous help.

Reflected in this report are the numerous scholarships our donors have helped the ESU Foundation to provide to ESU students. In 2015-2016, the Foundation was able to award 273 annual and 291 endowed scholarships, an increase of \$430,245.00, or nearly a 146% increase over the past decade. This report will also reflect the impact donors continue to have on fostering academic excellence through internships and quality educational experiences. The value all of you have placed on helping our students has enabled many to pursue their educational goals. Few gifts are more precious than this.

I've also noticed significantly more involvement by ESU alumni during the past year. I'm meeting Warriors everywhere! Two new alumni chapters (Delco/Chesco and Lehigh Valley) have formed this year and others are coming forward asking how they can help us – not only with their treasures – with their time and talents as well.

A new ESU is coming to life all around us, and it's evidenced in every page of this report. The work of the ESU Foundation advances our longstanding tradition of providing affordable and rigorous education. This report is a tribute to the inspired leadership of Bob Willever '75 in his role as the chair of the ESU Foundation and to the deep devotion of the entire Foundation Board and staff to this institution and our students.

More work is yet to be done; I hope you'll join me in the journey. Thank you all so much for your efforts last year. I look forward to continuing our work together to make ESU the place Where Warriors Belong.

What an exceptional year 2015-2016 has been for the East Stroudsburg University Foundation. The board of directors, staff, university administration, faculty and staff, and many community partners have come together in a multitude of ways – all working together to help us reach and surpass goals, providing direct support to the students of ESU. This Annual Report and Honor Roll of Donors provides one way for us to celebrate those successes and highlight areas where the Foundation is truly making a difference.

As an alumnus, former member of the Council of Trustees, and now chairman of the Foundation Board of Directors, I am proud of my affiliation with East Stroudsburg University and am honored to work with such an outstanding group of professional individuals who are united in our commitment to the university and its students.

The ESU Foundation is celebrating a special anniversary in 2016-2017. For 30 years, it has been our honor to impact the lives of those we serve. The 30 year timeline found within this report highlights just a few of the milestones achieved since the first meeting of the ESU Foundation Board of Directors took place on January 28, 1987. At that meeting, it was reported that the Foundation had \$22,000 for scholarships, \$1,000 for equipment and \$1,200 in discretionary money. As you will also discover within the pages of our annual report, since then, we've taken some significant strides...and 2015-2016 is no exception!

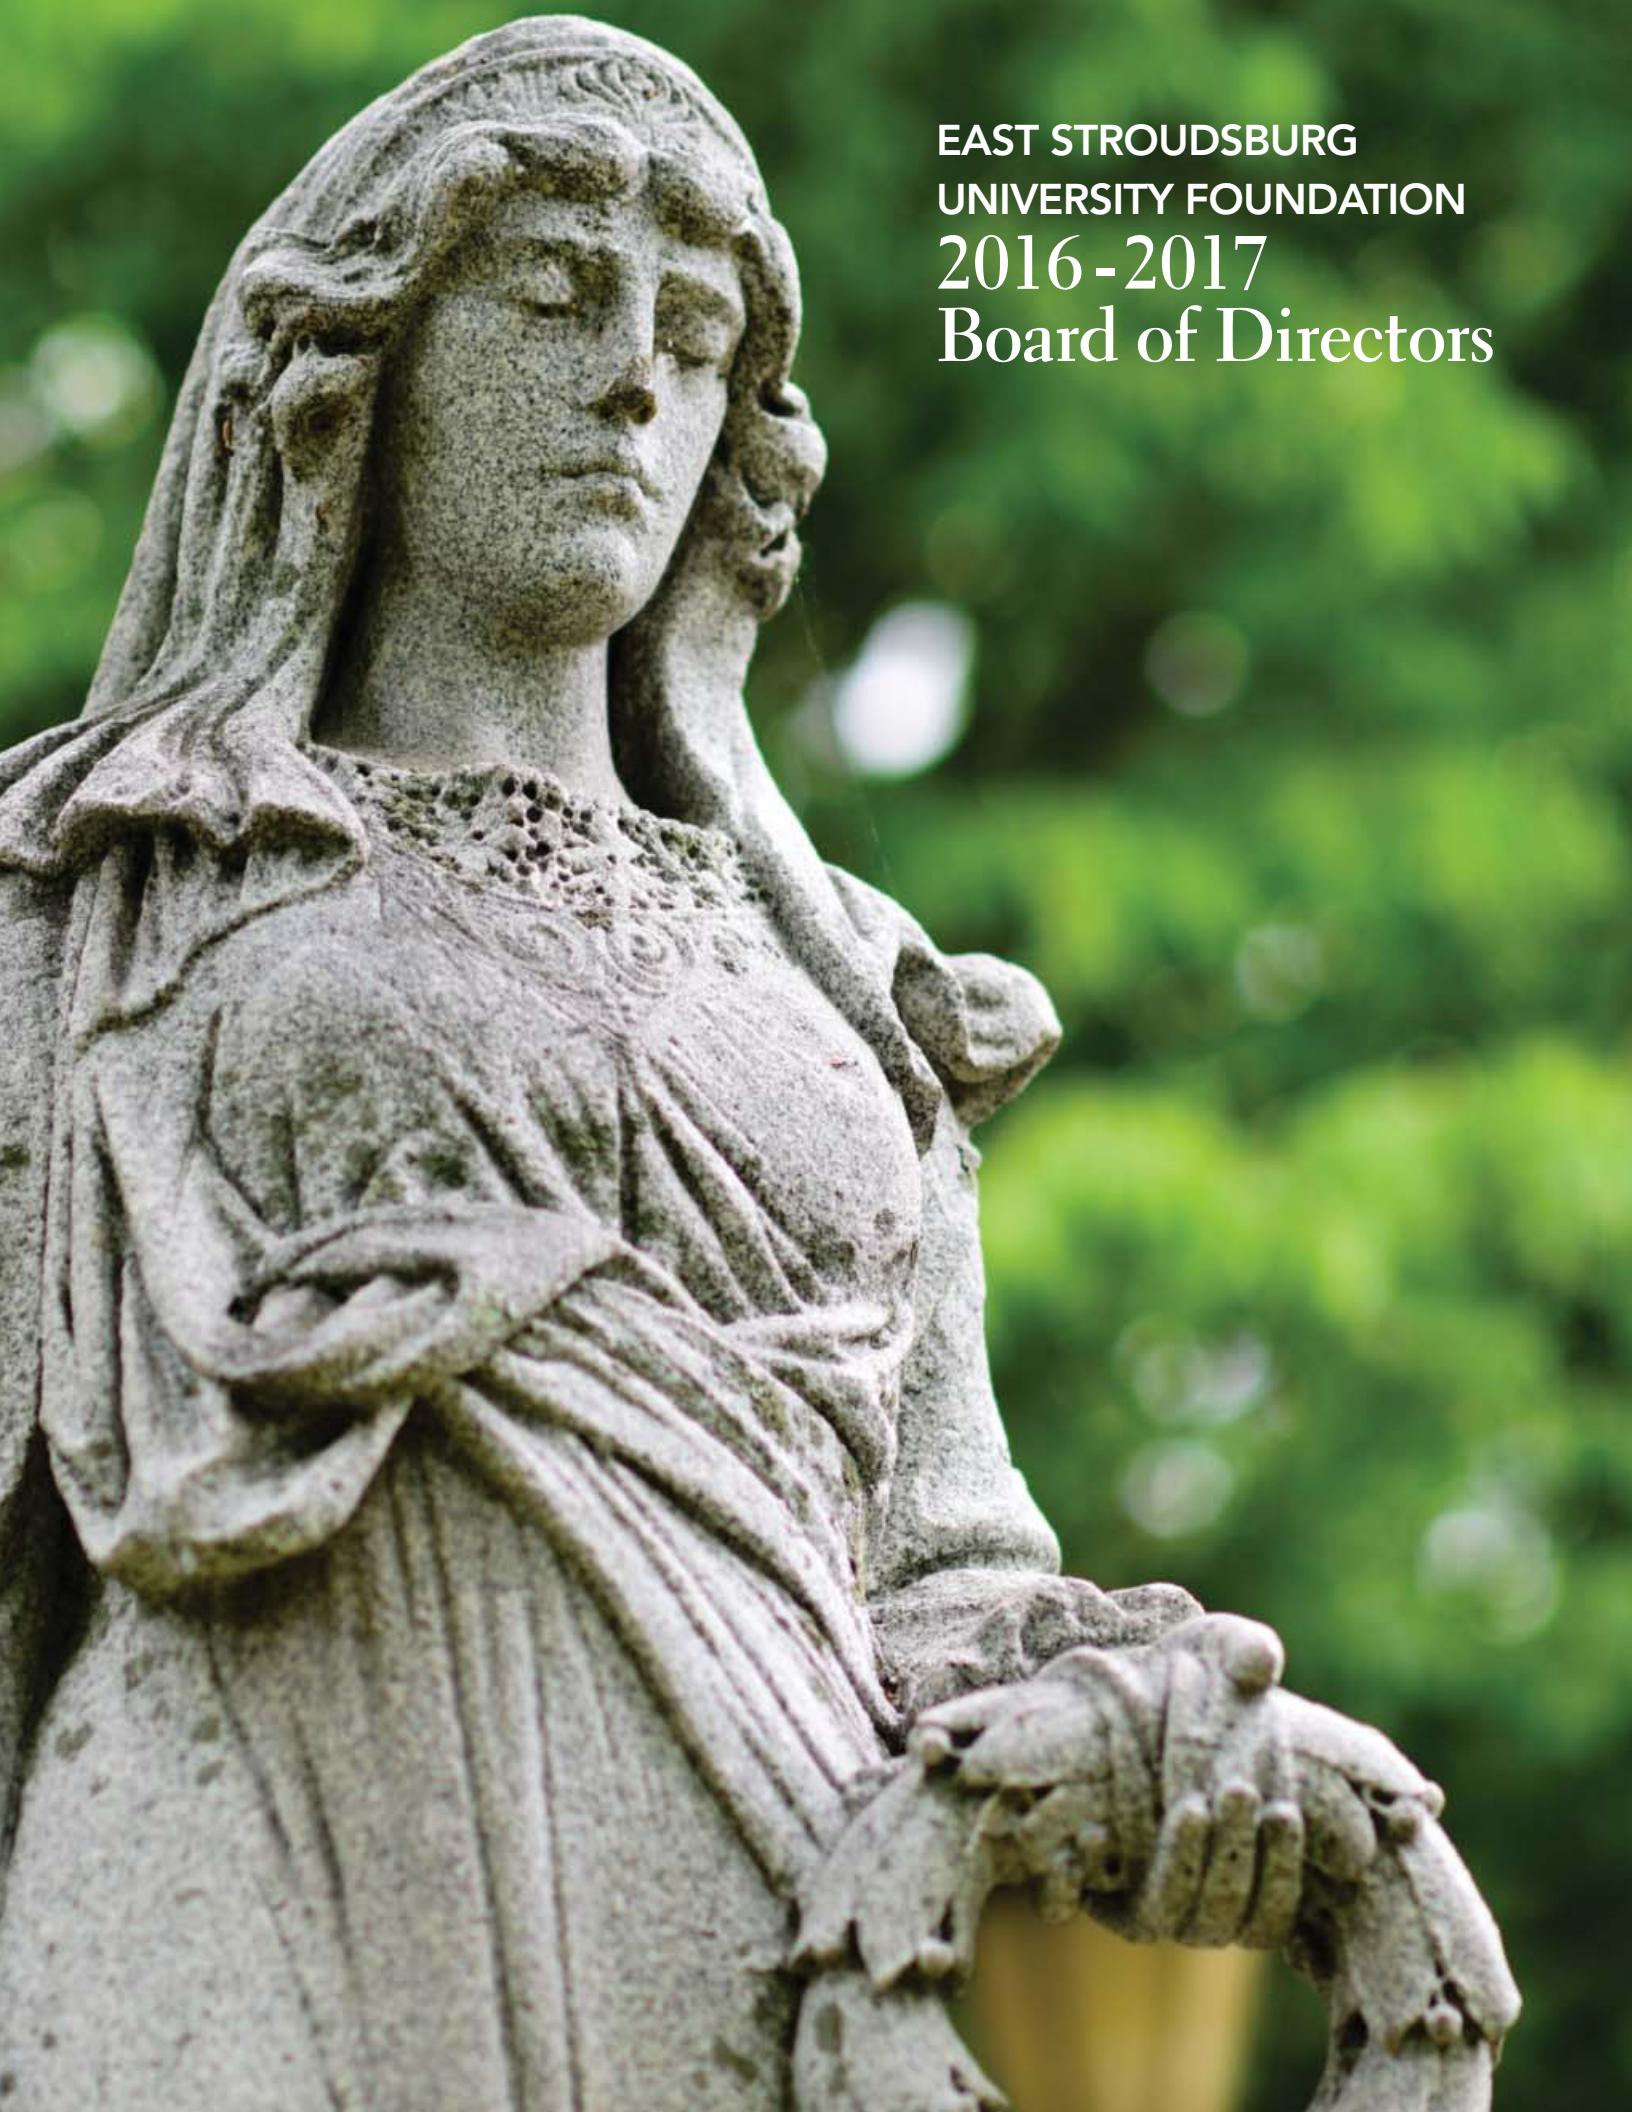

Through the years, the Foundation has seen the establishment of new programs, such as the 1893 Legacy Society, a corporate sponsorship program, increased Phonathon programs, affinity and class reunion giving campaigns, an expanded and a dynamic alumni engagement program that increases events and opportunities for alumni to connect with their alma mater. We've also grown our planned giving footprint and a stewardship program that has spurred the expansion of many events, including the Foundation's flagship stewardship event, the annual Scholarship Luncheon.

A multitude of campaigns – some quite significant – have resulted in our supporters affirming their commitment to East Stroudsburg University and its students. I am thrilled to share that during the last 30 years of fundraising excellence, the ESU Foundation has provided \$49.9 million in support to ESU.

I would like to take this opportunity to express my gratitude to my fellow board of directors for their time and commitment to the Foundation's mission and vision. Also, my thanks to ESU President Marcia G. Welsh, Ph.D. and the university administration for a continued partnership that supports the education and well-being of every Warrior.

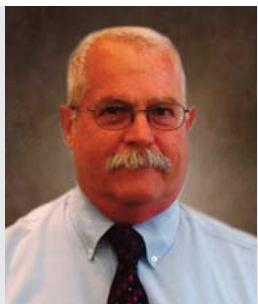

Lastly, my thanks go out to the ESU Foundation leadership and staff for their stellar work during the past fiscal year. We could not achieve our goals without their diligent behind-the-scenes work. I look forward to the new fiscal year, sharing our accomplishments and seeing how our achievements improve the lives of others.

Vision

- To create a culture of philanthropy among students, staff and faculty.
- To act responsibly and be good stewards of our resources.
- To ignite passion among ESU's alumni to remain engaged and active.
- To explore ventures which go beyond traditional fundraising models.
- To do our part to help instill pride and honor for the ESU brand.
- To foster and grow relationships through engaging community relations.
- To work in a valued partnership with East Stroudsburg University.

East Stroudsburg University Foundation Ethical Standards

The successful partnership between East Stroudsburg University and the East Stroudsburg University Foundation is based on effective service, trust and accountability.

- The Foundation's governing board and staff are sensitive to considerations of public trust and confidence. Their words and actions embody respect for truth, fairness and the opinions of others.
- The ESU Foundation is committed to promoting the merits of East Stroudsburg University.
- It safeguards privacy rights and confidential information with the utmost professionalism.
- It does not grant or accept favors for the personal gain of any individual, nor does it solicit or accept favors where a higher public interest would be violated.
- It avoids actual or apparent conflicts of interest and, if in doubt, seeks guidance from appropriate authorities.

There's something significant about hearing from a student whose life has been impacted through the generosity of others. At the East Stroudsburg University Foundation, we are fortunate to hear of these stories by the hundreds during the year - each student different in his or her academic journey and goals, but similar in the immense gratitude they have for a scholarship donor who helped make their education possible.

The remarkable increase in scholarships created and awarded in the past fiscal year is one facet of the Foundation's success. Other programs such as the Annual Fund, Planned Giving, Major Gift, Corporation and Foundation Relations, and Alumni Engagement programs have all reached new heights on several fronts. I am pleased to present the ESU Foundation's 2015-2016 Annual Report and Honor Roll of Donors. It is with great pride that I share this overview of the many accomplishments that we celebrated.

The Annual Report recognizes you and the many alumni, parents, businesses, organizations and friends who together made gifts and pledges of nearly \$2.8 million between July 1, 2015, and June 30, 2016; the third highest fundraising year in our 30 year history. This important support directly benefits the university, its students and faculty members. The images and stories shared illustrate just some of the ways in which ESU benefits from your loyalty and generosity.

Other significant milestones in 2015-2016 included the coordination of the 50-year celebration event for Warriors Head Football Coach Denny Douds that reconnected alumni and staff from across five generations and raised \$130,000 for the football program. The Foundation also launched a \$1.8 million capital project to renovate the ball fields at Creekview Athletic Complex in Stroud Township. Once complete, these state-of-the-art fields will become the new home to ESU's baseball and softball programs.

The 2015-2016 fiscal year was certainly one to remember. I extend my gratitude to the ESU Foundation Board of Directors for their continued support and, of course, ESU President Marcia G. Welsh, Ph.D., the President's Council, and the Council of Trustees for their devoted leadership and valued partnership with the Foundation.

In closing, please allow me to thank you again — our generous supporters. With every gift, you are confirming your belief in the critical role a college education has in developing leaders in business, education, government, medicine, nonprofits, and countless other fields. More than ever, your continued support is essential for ESU to maintain a high level of excellence and we are truly grateful to everyone listed in the Honor Roll of Donors.

Scholarships: A 10-YEAR SNAPSHOT

In the last decade, steady growth has continued within the ESU Foundation's scholarship program. Most recently, the number of endowed scholarships awarded by the Foundation grew by more than 11 percent with 291 students receiving awards totaling \$402,503 in 2015-2016.

Two hundred and seventy-three annual scholarships were awarded in 2015-2016 totaling \$322,506. The number of available annual scholarship funds grew by more than 19 percent, now totaling 182 annual scholarship funds that are available to ESU students.

Mary Sue Balducci '60 M'69 and Laura Flynn, a graduate student in sport management, meet at the Eighth Annual Scholarship Luncheon. Flynn is the recipient of the Mary Sue '60 M'69 and Louis Balducci Annual Scholarship.

Signature event grows connecting student scholarship recipients to donors

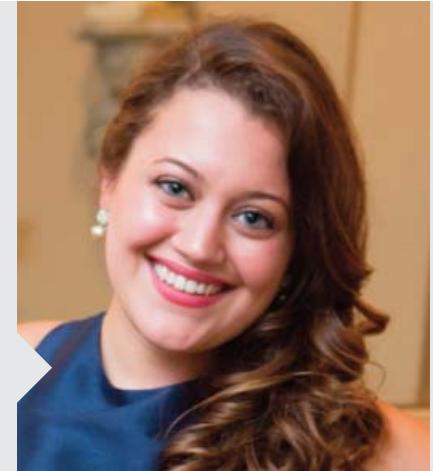

The East Stroudsburg University Foundation's Eighth Annual Scholarship Luncheon on April 10, 2016, provided an opportunity for ESU scholarship recipients to meet and thank their donors in person. The celebration was held for the first time at the Camelback Lodge and Aquatopia Indoor Waterpark in Tannersville, Pa., and welcomed more than 450 guests, a record number of attendees for the Foundation's signature event.

Themed 'The Power of YOU,' the celebration emphasized the difference a donor can have on the life of another as well as the impact that student will make on the world in the years ahead. Guests enjoyed keynote speakers Adam Stauffer '00 M'02, creator of the Adam '00 and Erin Stauffer Annual Scholarship, and ESU student Lian Mlodzinski, a biology and chemistry major and recipient of the Michele Droney Turner '87 Chemistry Annual Scholarship.

Students and parents write notes of thanks and sign a banner to show donors their appreciation for their generosity.

“ Receiving my scholarship took such a weight not only off of my shoulders but my parents, as well. It is a blessing being able to sit in class every day knowing that I can be here and not have to worry about money. It is also a relief knowing that I can save a decent amount of money and I will not have to worry about student loan debt in the future.”

Highlights of 2015-2016

President Marcia G. Welsh, Ph.D., speaks to more than 100 guests in attendance at the Football Scholarship Donor Reception held on October 31, 2015.

Post-game reception connects players with football donors

More than 30 student athletes had the opportunity to meet their scholarship donors in a post-football game reception on Saturday, October 31, 2015. Held in the lobby of Zimbar-Liljenstein Hall, the reception also included parents, coaches and team staff.

Sponsored by the ESU Foundation, the first time event took the place of a pre-game sideline introduction and photo. The reception allowed donors, student scholarship recipients and parents a chance to connect in an informal setting and share with each other what it means to receive a gift of scholarship.

At that time, 33 football scholarships were administered by the ESU Foundation, seven of which were newly created that year. In 2015-2016, \$71,270 was made available to student athletes in football scholarships.

ESU nursing students were inspired during a lecture titled "Promoting Behavioral and Cognitive Health in People Living with Dementia." The lecture, part of the Yvonne Troiani-Sweeney Endowed Lecture Series for Nursing Enrichment at ESU, was presented by Ann M. Kolanowski, Ph.D., RN, FGSNA, FAAN, on April 7, 2016, and is supported by the Niedbala Family Foundation and its founders Linda (Troiani) Niedbala '83 and her husband Sam Niedbala, Ph. D., '82. The lecture series began in 2013 as a tribute to Linda's sister, Yvonne Troiani-Sweeney '78, an ESU nursing alumna diagnosed with a form of early onset dementia called posterior cortical atrophy. The endowed lecture series serves to educate healthcare professionals and the community about the cognitive impairment associated with dementia and other diseases.

Warriors celebrate Denny Douds' 50 years at ESU

Fundraising event raises more than \$130K for football program

East Stroudsburg University recognized the 50 years (and counting) of service of football coach Denny Douds on June 10, 2016, welcoming more than 360 alumni, colleagues and friends of the program to the Stroudsmoor Country Inn, Stroudsburg, Pa., for an evening of celebration.

Douds enters his 43rd season as head coach in fall 2016 (which will be his 51st season overall with the Warriors, following eight seasons as an assistant coach.)

Special guest speakers included James Franklin '95, head football coach at Pennsylvania State University, and John Glenn '05, assistant linebackers coach for the NFL's Seattle Seahawks. Both played for Douds while attending ESU.

Longtime friend and colleague Quentin Currie, a college teammate of Douds at Slippery Rock and later coach at ESU, served as the master of ceremonies while fellow coaches and players Mike Terwilliger '78 and Jimmy Terwilliger '07 presented

Since the partnership with the Prince Hall School and ESU began in 1988, 17 Prince Hall scholars have gone on to graduate because of this scholarship.

Honorary Chair of the 2015 event was Russell Scott III of Dunbar Enterprises, Inc.

Homecoming celebration brings alumni back to campus

'Wild Wild Warriors' was the theme for Homecoming 2015 as students, faculty, staff, and alumni celebrated with festivities that took place from October 13-18. Alumni events kicked into action with Alumni Check-In at the Henry A. Ahnert, Jr. Alumni Center, the Annual Alumni Awards and Class of 1965 Reunion Banquet in the Tent on the Quad. The Annual Tailgate was held before the big football game against Millersville University at Eiler-Martin Stadium on October 17, 2015.

The Office of Alumni Engagement

Connecting Warriors of all generations

The ESU Office of Alumni Engagement serves nearly 45,000 Warrior alumni and is responsible for engaging and connecting them through collaborative efforts with other university departments, events, affinity and class reunions, regional chapters and networking opportunities. The Office of Alumni Engagement is also responsible for print and electronic communication to the alumni base.

The Office of Alumni Engagement provided support to the ESU Alumni Association Board at quarterly meetings held in August and November 2015 and March, April and June, 2016. Highlights in 2015-2016 include:

- Recognized distinguished alumni at the annual Alumni Awards & Reunion Banquet during Homecoming 2015 and facilitated the Alumni Award process with seven award recipients receiving the prestigious honor.
- The board elected two new members and a new slate of the Executive Committee that includes the president, vice president and secretary.
- Established the Annual Alumni Board Scholarship with board giving totaling \$2,167.00, surpassing the \$1,000 goal and achieving, for the first time ever, a 100 percent participation rate.
- Planned and hosted 26 alumni-centric events with a total of 680 attendees.
- Planned and executed alumni-centric events with the College of Business and Management, Department of Athletics and other university departments.
- Established core and chapter groups in Philadelphia, the Lehigh Valley and the Delco/Chesco areas.

Alumni chapters gain footing in 2015-2016

The revitalization of alumni chapters was a key focus for the ESU Office of Alumni Engagement in 2015-2016 and enthusiasm for these core groups to be formed across the country is gaining momentum. Through the establishment of a focus group, and working strategically with the ESU Alumni Association Board of Directors, plans are in place to create increased visibility of alumni engagement and encourage volunteer involvement, specifically through the establishment of alumni chapters.

LEHIGH VALLEY

One of the first on the list for continued development was the Lehigh Valley Chapter which held several events over the past year, including a Holidays in Bethlehem gathering that took place on December 4, 2015, a Happy Hour on June 3, 2016, at the Historic Hotel Bethlehem, and ESU Day at the IronPigs on August 7, 2016, in Coca-Cola Park in Allentown, Pa. There are currently more than 3,000 alumni in the Lehigh Valley, encompassing Allentown, Easton, Bethlehem, and surrounding areas.

DELCO/CHESCO

On June 16, 2016, 19 alumni from the DELCO/CHESCO Chapter gathered for a "Warrior Huddle" Happy Hour at Not Your Average Joe's in Glen Mills, Pa. The event attracted alumni from many graduating classes and attendees developed networking contacts, broadened their social networks and reconnected with their peers and alma mater. The DELCO/CHESCO event was planned by R. Griggs Levy '87 and Cara Feehan Miller '01 and was the first gathering for this chapter in a number of years.

“ We want to continue the rich tradition of alumni events and give our Warrior alumni an opportunity to reconnect. ”

Cara Feehan Miller '01
DelCo/Chesco
Chapter Organizer

“ There are so many alumni in the Lehigh Valley that it's only natural for us to get something started back up. ”

Ernest Kovacs '65
Lehigh Valley
Chapter Organizer

“ It's all about the Warrior pride that we as ESU alumni all have and creating an opportunity to get together with other alumni to showcase that pride even though we are not on campus. ”

R. Griggs Levy '87
DelCo/Chesco
Chapter Organizer

Alumni go 'wild' for Homecoming celebrations

Wild, Wild Warriors, ESU's 2015 Homecoming celebration, welcomed alumni from across the years for a festive weekend of events and reunions. The collaborative effort between the ESU Office of Alumni Engagement and the university produced student and alumni events from October 13-18, 2015, to promote school spirit on campus and in the community. The annual Homecoming Tailgate held on the basketball courts behind Zimbar-Liljenstein Hall drew approximately 1,200 attendees prior to the football game.

The Alumni Engagement office worked closely with volunteers for the Class of 1965 to create and support a class reunion gift and creation of a class memory book. Classmates returned to campus for tours, athletic events throughout the weekend, and their annual 50th anniversary reunion banquet held in a tent on the campus quad on October 15, 2015. More than 50 members of the Class of 1965 returned to campus to participate in the festivities.

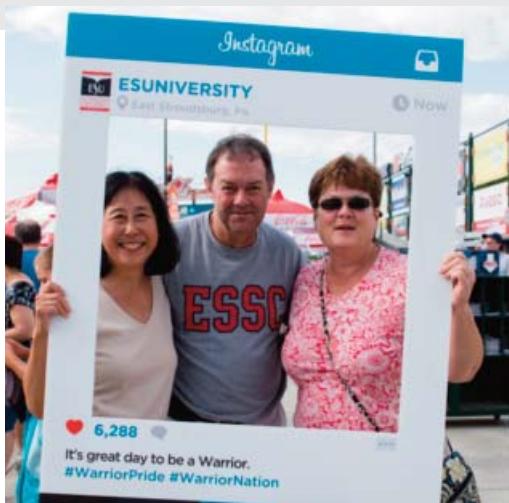

Homecoming weekend wrapped up with a brunch in the Warren E. '55 and Sandra Hoeffner Science and Technology Center and personal tour of the Schisler Natural Wildlife Museum and show in the McMunn Planetarium.

Left: Members of East Stroudsburg State College's Class of 1965 reconnected during Homecoming Weekend for their 'Golden Grad' Reunion. Reunion committee chairs Jane Kressler Bullock '65 and Ernest C. Kovacs '65 led weekend activities that included a reunion banquet, a tent at the Annual Tailgate, and a brunch with ESU President Marcia G. Welsh, Ph.D.

Theta Chi Fraternity presented the ESU Foundation with a check for \$1,974 to benefit student scholarships.
