

Opening the Doors of Opportunity

Supporting Student Scholarships

EAST STROUDSBURG
UNIVERSITY
FOUNDATION

Supporting an academic or athletic scholarship allows deserving students to continue their education with less worry about the price of tuition. Scholarships ensure hardworking scholars are rewarded for their accomplishments, both inside and outside the classroom.

At the East Stroudsburg University Foundation, you can establish an Annual or Endowed scholarship to make a difference in the lives of ESU students and impact their futures.

ANNUAL SCHOLARSHIPS

Annual scholarships make an impact on current students immediately.

Criteria:

- Annual scholarships are established as a short-term, renewable gift. We require that annual scholarships be \$1,000 or more per academic year for a minimum of four years.
- Funds may be given annually to be awarded, or a lump sum may be used to award a set amount each year until depleted.
- Annual scholarships do not build toward endowment.

ENDOWED SCHOLARSHIPS

An endowed scholarship can maintain and over time, increase its value and its capacity to support students in perpetuity. The long-term vision of both donor and university will ensure that, over the years, hundreds of young people receive invaluable help in becoming leaders in their field. Your gift is perpetual, creating your legacy at ESU.

Criteria:

- Endowment scholarships are established with a minimum contribution of \$25,000.
- The commitment can be a one-time gift or a pledge for up to five years.
- Principal donors are recognized as part of The 1893 Society.
- After reaching \$25,000 the fund must be held for one year prior to awarding the first scholarship.
- If the fund doesn't reach the endowment level within five years, the balance will be transferred to the Foundation's General Scholarship Fund.

Please contact the ESU Foundation by calling 570-422-3333 or email esufoundation@esufoundation.org to establish your scholarship and begin making educational dreams come true!

MAKING A DIFFERENCE

“ We loved our college experience at ESU and the friendships we still enjoy. It was only natural for us to want to help others have a great education and social experiences. The community feeling extends to all aspects of the university. It has been wonderful to continue being part of the activities as alumni and we are blessed to be able to help others continue to learn and grow. ”

-David '70 and Bonnie '72 Childs

Annual Scholarship**

MAKING A DIFFERENCE

“ As East Stroudsburg University alumni, former student-athletes, former ESU coaches, members of the ESU Athletic Hall of Fame, and a legacy family, we have deep roots and a strong commitment to ESU. We believe in ‘paying it forward’ and established our scholarships to help student-athletes enjoy the successes and lessons we learned on the wrestling mats and field hockey and lacrosse fields at ESU. Our time at ESU helped mold us into the people we are today and gave us lifelong friends. It is our pleasure to assist young adults with their academic and athletic careers. ”

THE IMPACT

“ Being the recipient of the Joan Brimer-Cramer '41 Endowed Scholarship has truly been an honor. It has given me a great deal of relief by helping fund my college education and has shown me that there are many people out there who ultimately want students to succeed and will help in any way they can. ”

THE IMPACT

“ To say the least, being a recipient of the Sanofi STEM Annual Scholarship has been a true blessing in my life. I could not be more thankful. Thank you so much to Sanofi for establishing a scholarship that not only supports STEM students financially, but also makes their future goals much more attainable. I cannot say thank you enough. ”
